- **Description:**
KALAHARI RESORTS are authentically African-themed, and the Round Rock resort features a one-of-a-kind modern African design with a local Texas spirit. The resorts were inspired by a Nelson family trip to Africa more than 20 years ago, when the family traveled to South Africa, Ghana and Tanzania to hand-select 1,000 pieces of African art, sculpture, furniture and retail items for the Round Rock resort. This \$600,000 art investment is part of an ongoing brand commitment to the people, places and cultures that inspire the resorts.
The resort used this design in its extended stay suites, particularly in the murphy beds, kitchenette, kitchen cabinets, and island. Stromboli's natural, distressed feel matches the resort's commitment to authenticity and beauty. The pattern, inspired by natural banana fibers.
