Doran Companies

- **Caseworks Manufacturer:**

Hansen & Company
Woodworks

- **Description:**

THE RUBY offers an urban-suburban luxury living experience located in St. Anthony, MN, near northeast Minneapolis. The luxury apartment community features a variety of floor plans from studio to three-bedroom, exclusive clubhouse, the rooftop pool terrace, state-of-the-art fitness, private work-from-home suites, a gated pet park and covered, heated parking.

The Ruby incorporates luxury features and amenities with bright and fresh urban style, warm inviting colors, and high-end finishes. The award-winning luxury-designed apartments offer work-from-home amenities and short commutes to downtown Minneapolis and St. Paul. For a refreshingly cool and understated style, the design team selected PRISM TFL WF450 Bergen Ash and WF442 Chique as a complement to classic white and modern interior finishes.
