

ARAUCO is pleased to support the reveal of your new showroom, model build or prototype!

Working with your preferred Prism TFL distributor, begin by planning and qualifying your project using designs from the Prism TFL collection. Once your project is approved, the supplied material costs will be reimbursed<sup>3</sup> and we'll look forward to your big Reveal!

### Terms and Conditions:

1. Your choice of exclusive ARAUCO Prism TFL design can be used for this program, however selections from the 2020 collection are highly favored. Please consult with a sales representative or design & market specialist for guidance and/or to confirm eligibility.
2. To qualify, the Showroom Project must be constructed primarily of Prism TFL panels. An ARAUCO representative will contact you confirm your project has qualified.
3. Upon approval, ARAUCO agrees to reimburse the costs incurred for Prism TFL panels used in your showroom project; reimbursement for supplied material is paid directly to the distributor.
4. Qualification for project reimbursement is at the sole discretion of ARAUCO.
5. Photos of the final showrooms or model units will be required as part of this program; ARAUCO reserves the right to use submitted photos for marketing purposes.
  1. Photos must be staged, well-lit and with quality resolution. Please refer to the [Inspiration](#) gallery on the [na.arauco.com](http://na.arauco.com) website for examples of acceptable photography.
  2. ARAUCO reserves the rights to use submitted photos for promotional purposes and will support co-marketing efforts with the distributor and/or fabricator.
6. Arauco reserves the right to add this project and the fabricator to our list of Fabrication Partners on the [Arauco website](#), with "Showroom" indicator.
7. Terms and conditions are subject to change without notice.
